RECITALS

WHEREAS, in 2019, the Utah State Legislature enacted House Bill 411, codified at Utah Code §§ 54-17-901 to -909, known as the “Community Renewable Energy Act”; and

WHEREAS, the Act authorizes the Public Service Commission of Utah to establish a community renewable energy program whereby qualifying communities may cooperate with qualified utilities to provide electric energy for participating customers from renewable energy resources, in an amount that equals their annual consumption; and

WHEREAS, the Act further authorizes the Commission to adopt administrative rules to implement the Act and the Commission has adopted such rules as set forth in Utah Administrative Code R746-314-101 through -402 (“Rules”); and

WHEREAS, Company is a “qualified utility” as defined in Utah Code § 54-17-801;

WHEREAS, the Rules require that a customer of a qualified utility may be served by the Program if, in addition to the requirements of the Act, the Community in which the customer resides also adopts an agreement with other eligible Communities to establish a decision-making process for Program design, resource solicitation, resource acquisition, and other Program issues and provides a means of ensuring that eligible Communities and those that become participating Communities will be able to reach a single joint decision on any necessary Program issues. On March 31, 2021, the Communities entered into such an agreement, entitled the Interlocal Cooperation Agreement Among Public Entities Regarding the Community Renewable Energy Program (“Governance Agreement”), through which each Community is a member of the Agency, authorized under the Governance Agreement to make certain joint decisions on behalf of Communities that participate in the Program; and

WHEREAS, the Act provides that a customer of a qualified utility may be served by the Program if the community in which the customer resides satisfies certain requirements, including, adopting a resolution required by Utah Code § 54-17-903(2)(a); entering into an agreement with a qualified utility as required by Utah Code § 54-17-903(2)(b); adopting a local ordinance as required by Utah Code § 54-17-903(2)(c); and complying with any other terms or conditions required by the Commission; and

WHEREAS, each Community has passed a resolution stating a goal of achieving an amount equivalent to 100% of the annual electric energy supply for participating customers from renewable energy resources by 2030, as required by Utah Code § 54-17-903(2)(a); and

WHEREAS, the Parties enter into this Agreement to satisfy the requirements of Utah Code § 54-17-903(2)(b) and to address various issues related to the Program.

NOW, THEREFORE, for and in consideration of the mutual covenants and agreements hereinafter contained, the receipt and sufficiency of which are hereby acknowledged, Company, Agency, and each Community hereby agree to the following terms and conditions:

(c) It has taken all corporate actions required to be taken by it to authorize the execution, delivery and performance of this Agreement and the consummation of the transactions contemplated hereby.

SECTION 11 FORCE MAJEURE

11.1 Definition of Force Majeure. "Force Majeure" or an "event of Force Majeure" means an event or circumstance that prevents a Party (the "Affected Party") from performing, in whole or in part, an obligation under this Agreement and that: (a) is not reasonably anticipated by

the Affected Party as of the Execution Date; (b) is not within the reasonable control of the Affected Party or its Affiliates; (c) is not the result of the negligence or fault or the failure to act by the Affected Party or its Affiliates; and (d) could not be overcome or its effects mitigated by the use of due diligence by the Affected Party or its Affiliates. Force Majeure includes the following types of events and circumstances (but only to the extent that such events or circumstances satisfy the requirements in the preceding sentence): tornado, hurricane, tsunami, flood, earthquake and other acts of God; fire; explosion; invasion, acts of terrorism, war (declared or undeclared) or other armed conflict (except as excluded below); riot, revolution, insurrection or similar civil disturbance; global pandemic (except as excluded below); sabotage; strikes, walkouts, lock-outs, work stoppages, or other labor disputes; and action or restraint by Governmental Authority (except as excluded below); provided that the Affected Party has not applied for or assisted in the application for, and has opposed to the extent reasonable, such action or restraint. Notwithstanding the foregoing, none of the following shall constitute Force Majeure: (i) economic hardship, including lack of money or the increased cost of electricity, steel, labor, or transportation; (ii) the imposition upon a Party of costs or taxes; and (iii) the occurrence after the Execution Date, of an enactment, promulgation, modification or repeal of one or more Requirements of Law, including regulations or national defense requirements that affects the cost or ability of either Party to perform under this Agreement.

11.2 Suspension of Performance. Neither Party will be liable for any delay in or failure to perform its obligations under this Agreement, nor will any such delay or failure become an Event of Default, to the extent such delay or failure is substantially caused by Force Majeure, provided that the Affected Party: (a) provides prompt (and, in any event, not more than ten (10) days') notice following knowledge of the impact of such event of Force Majeure to the other Party, describing the particulars of the event of Force Majeure and giving an estimate of its expected duration and the probable impact on the performance of its obligations under this Agreement; (b) exercises all reasonable efforts to continue to perform its obligations under this Agreement; (c) uses commercially reasonable efforts to mitigate the impact of such event of Force Majeure so that the suspension of performance is no greater in scope and no longer in duration than is dictated by the event of Force Majeure; (d) exercises all reasonable efforts to mitigate or limit damages to the other Party resulting from the event of Force Majeure; and (e) provides prompt notice to the other Party of the cessation of the event of Force Majeure.

11.3 Force Majeure Does Not Affect Other Obligations. No obligations of either Party that arose before an event of Force Majeure or after an event of Force Majeure that were unaffected by such event of Force Majeure shall be excused by such event of Force Majeure.

11.4 Strikes. Notwithstanding any other provision of this Agreement to the contrary, neither Party will be required to settle any strike, walkout, lockout, work stoppage or other labor dispute on terms which, in the sole judgment of the Party involved in the strike, walkout, lockout or other labor dispute, are contrary to its best interests.

11.5 Right to Terminate. If an event of Force Majeure prevents an Affected Party from substantially performing its obligations under this Agreement for a period exceeding one hundred eighty (180) consecutive days (despite the Affected Party's diligent efforts to remedy its inability to perform), then the other Party may terminate this Agreement by giving ten (10) days prior notice

to the Affected Party; provided, however, that the effectiveness of any such termination notice shall be conditioned on review and approval by the Commission. Upon such termination, neither Party will have any liability to the other Party with respect to the period following the effective date of such termination; provided, however, that this Agreement will remain in effect to the extent necessary to facilitate the settlement of all liabilities and obligations arising under this Agreement before the effective date of such termination.

SECTION 12 COMMUNICATIONS AND NOTICE

12.1 Addresses and Delivery Methods. All notices (other than Opt-out Notices), requests, demands, submittals, waivers and other communications required or permitted to be given by one Party to another Party under this Agreement (each, a “Communication”) shall, unless expressly specified otherwise, be in writing and shall be addressed, except as otherwise stated herein, to the addressees and addresses set out in Appendix D, as the same may be modified from time to time by Communication from the respective Party to the other Parties. All other Communications required by this Agreement shall be sent by regular first class U.S. mail, registered or certified U.S. mail (postage paid return receipt requested), overnight courier delivery, or electronic mail. Such Communications will be deemed effective and given upon receipt by the addressee, except that Communications transmitted by electronic mail shall be deemed effective and given on the day (if a Business Day and, if not, on the next following Business Day) on which it is transmitted if transmitted before 17:00 Prevailing Mountain Time, and if transmitted after that time, on the following Business Day, provided that Communications transmitted by electronic mail must be confirmed as received by the recipient or followed up by Communications by other means as provided for in this Section to be effective. If any Communication sent by regular first class U.S. mail, registered or certified U.S. mail postage paid return receipt requested, or overnight courier delivery is tendered to an addressee set out in Appendix D, as the same may be modified from time to time by Communication from the respective Party to the other Party, and the delivery thereof is refused by such addressee, then such Communication shall be deemed given and effective upon such tender. In addition, Communication of termination of this Agreement under Section 10.5 must contain the information required by Section 10.5 and, where Company is the Defaulting Party, must be sent to the attention of the then-current President and General Counsel of Company.

SECTION 13 CONFIDENTIALITY

13.1 Confidential Business Information. The following constitutes “Confidential Business Information,” whether oral or written: (a) the Parties’ proposals and negotiations concerning this Agreement, made or conducted prior to the Effective Date; (b) drafts of the Program Application; and (c) any information delivered by Company to the Agency and Communities prior to or after the Execution Date relating to procurement of Program resources, including but not limited to Company information relating to the terms of agreements under which Company may procure Program resources. Communities and Company each agree to hold such Confidential Business Information wholly confidential, except as expressly provided in this Agreement. “Confidential Business Information” shall not include information that: (i) is in or

enters the public domain through no fault of the Party receiving such information; or (ii) was in the possession of the receiving Party prior to delivery by the delivering party, other than through delivery thereof as specified in subsections (a) and (b) above. A Party providing any Confidential Business Information under this Agreement shall clearly mark all pages of all documents and materials to be treated as Confidential Business Information with the term “Confidential” on the front of each page, document or material. If the Confidential Business Information is transmitted by electronic means the title or subject line shall indicate the information is Confidential Business Information. All Confidential Business Information shall be maintained as confidential, pursuant to the terms of this Section 13, for a period of two (2) years from the date it is received by the receiving Party unless otherwise agreed to in writing by the Parties.

13.2 Duty to Maintain Confidentiality. Each Party agrees not to disclose Confidential Business Information to any other Person (other than its Affiliates, accountants, auditors, counsel, consultants, investors or prospective investors (including tax equity investors), Lenders or prospective Lenders, employees, officers and directors, or Customer), without the prior written consent of the other Party; provided that: (a) either Party may disclose Confidential Business Information, if and to the extent such disclosure is required: (i) by Requirements of Law or securities exchange requirement; (ii) in order for Company to receive regulatory recovery of expenses related to this Agreement; (iii) pursuant to an order of a Governmental Authority; or (iv) in order to enforce this Agreement or to seek approval hereof; and (b) notwithstanding any other provision hereof, Company may in its sole discretion disclose or otherwise use for any purpose in its sole discretion the Confidential Business Information described in Section 13.1(b). In the event a Party is required by Requirements of Law to disclose Confidential Business Information, such Party shall to the extent possible promptly notify the other Party of the obligation to disclose such information.

13.3 Company Regulatory Compliance. The Parties acknowledge that Company is required by law or regulation to report certain information that is or could otherwise embody Confidential Business Information from time to time. Such reports include models, filings, reports of Company’s net power costs, general rate case filings, power cost adjustment mechanisms, FERC-required reporting such as those made on FERC Form 1 or Form 714, market power and market monitoring reports, annual state reports that include resources and loads, integrated resource planning reports, reports to entities such as NERC, WECC, Pacific Northwest Utility Coordinating Committee, WREGIS, or similar or successor organizations, forms, filings, or reports, the specific names of which may vary by jurisdiction, along with supporting documentation. Additionally, in regulatory proceedings in all state and federal jurisdictions in which it does business, Company will from time to time be required to produce Confidential Business Information. Company may use its business judgment in its compliance with all of the foregoing and the appropriate level of confidentiality it seeks for such disclosures. Company may submit Confidential Business Information in regulatory proceedings without notice to Seller.

13.4 Agency and Communities’ GRAMA Compliance. Company acknowledges that Agency and Communities are subject to the Utah Government Records Access and Management Act, Utah Code Ann., Section 63G-2-101 to -901, as amended (“GRAMA”); that certain records within Agency’s and Communities’ possession or control may be subject to public disclosure; and that Agency’s and Communities’ confidentiality obligations in this Agreement shall be subject in

all respects to compliance with GRAMA; and that Agency and Communities may be required by law to produce certain information that is or could otherwise embody Confidential Business Information. Pursuant to Section 63G-2-309 of GRAMA, any Confidential Business Information provided to Agency and Communities that Company believes should be protected from disclosure must be accompanied by a written claim of confidentiality and a concise statement of reasons supporting such claim. The Agency and the Communities may use their best judgment in their compliance with GRAMA. The Agency and Communities may produce Confidential Business Information in response to a valid GRAMA request without notice to Company.

13.5 Irreparable Injury; Remedies. Each Party agrees that violation of the terms of this Section 13 constitutes irreparable harm to the other Party, and that the harmed Party may seek any and all remedies available to it at law or in equity, including injunctive relief.

13.6 NEWS RELEASES AND PUBLICITY. BEFORE ANY PARTY ISSUES ANY NEWS RELEASE OR PUBLICLY DISTRIBUTED PROMOTIONAL MATERIAL THAT MENTIONS THE PROGRAM OR ANY ASPECT OF PROGRAM ADMINISTRATION, INCLUDING BUT NOT LIMITED TO THE PROCUREMENT OF RENEWABLE ENERGY RESOURCES FOR PURPOSES OF SERVING PARTICIPATING CUSTOMERS, SUCH PARTY WILL FIRST PROVIDE A COPY THEREOF TO ALL OTHER PARTIES (OR IN THE CASE OF PROMOTIONAL MATERIALS PREPARED BY THE COMPANY, TO THE AGENCY) FOR REVIEW AND APPROVAL, WHICH APPROVAL SHALL NOT BE UNREASONABLY WITHHELD, CONDITIONED OR DELAYED, AND SHALL BE DEEMED PROVIDED IF THE REVIEWING PARTY DOES NOT PROVIDE RESPONSE WITHIN FIVE (5) BUSINESS DAYS. ANY USE OF BERKSHIRE HATHAWAY'S NAME REQUIRES COMPANY'S PRIOR WRITTEN CONSENT. FOR THE AVOIDANCE OF DOUBT, THIS SECTION 13.6 DOES NOT AFFECT THE ABILITY OF ANY PARTY FROM DISCUSSING THE PROGRAM OR ANY ASPECT OF PROGRAM ADMINISTRATION DURING OPEN MEETINGS OR IN RESPONSE TO INQUIRIES BY CONSTITUENTS, CUSTOMERS, OR THE MEDIA, AND DOES NOT RESTRICT ANY PARTY'S STATEMENTS (WHETHER WRITTEN OR ORAL) BEFORE THE UTAH PUBLIC SERVICE COMMISSION.

SECTION 14 DISAGREEMENTS

14.1 Negotiations. Prior to proceeding with formal dispute resolution, the Parties must first attempt in good faith to resolve informally all disputes arising out of, related to or in connection with this Agreement. Any Party may give the other Party notice of any dispute not resolved in the normal course of business. Executives of both Parties at levels one level above those employees who have previously been involved in the dispute must meet at a mutually acceptable time and place within ten (10) days after delivery of such notice, and thereafter as often as they reasonably deem necessary, to exchange relevant information and to attempt to resolve the dispute. If the matter has not been resolved within thirty (30) days after the referral of the dispute to such executives, or if no meeting of such executives has taken place within fifteen (15) days after such referral, then, subject to the terms of this Agreement either Party may initiate any legal

remedies available to the Party. No statements of position or offers of settlement made in the course of the dispute process described in this Section 14.1 will: (a) be offered into evidence for any purpose in any litigation between the Parties; (b) be used in any manner against either Party in any such litigation; or (c) constitute an admission or waiver of rights by either Party in connection with any such litigation. At the request of either Party, any such statements and offers of settlement, and all copies thereof, will be promptly returned to the Party providing the same.

14.2 Choice of Forum. Each Party irrevocably consents and agrees that any legal action or proceeding arising out of this Agreement or the actions of the Parties leading up to this Agreement (“Proceedings”) will be brought exclusively in the Third Judicial District Court in and for Salt Lake County, State of Utah. By execution and delivery of this Agreement, each Party: (a) accepts the exclusive jurisdiction of such courts and waives any objection that it may now or hereafter have to the exercise of personal jurisdiction by such courts over each Party for the purpose of the Proceedings; (b) irrevocably agrees to be bound by any final judgment (after any and all appeals) of any such courts arising out of the Proceedings; (c) irrevocably waives, to the fullest extent permitted by law, any objection that it may now or hereafter have to the laying of venue of any of the Proceedings brought in such courts (including any claim that any such Proceeding has been brought in an inconvenient forum) in connection herewith; (d) agrees that service of process in any such Proceeding may be effected by mailing a copy thereof by registered or certified mail, postage prepaid, to such Party at its address stated in this Agreement; and (e) agrees that nothing in this Agreement affects the right to effect service of process in any other manner permitted by law.

14.3 Third-Party Beneficiaries. This Agreement shall not be construed to create rights in, or to grant remedies to, any third party as a beneficiary of this Agreement or any duty, obligation or undertaking established herein.

SECTION 15 MISCELLANEOUS

15.1 Agency and Communities as Political Subdivisions of the State of Utah. Company acknowledges that Agency and Communities are Political Subdivisions of the State of Utah under the Governmental Immunity Act of Utah, Utah Code Ann., Section 63G-7-101 et seq., as amended (“Immunity Act”). Nothing in this Agreement shall be construed as a waiver by Agency or Communities of any protections, rights, remedies, or defenses applicable to Agency or Communities under the Immunity Act, including without limitation, the provisions of Section 63G-7-604 regarding limitation on judgments, or other applicable law. It is not the intent of Agency or Communities to incur by contract any liability for the operations, acts, or omissions of Company or any third party and nothing in this Agreement shall be so interpreted or construed. Without limiting the generality of the foregoing, and notwithstanding any provisions to the contrary in this Agreement, the obligations of Agency and Communities in this Agreement to defend, indemnify, and hold harmless are subject to the Immunity Act, are limited to the amounts established in Section 63G-7-604 of the Immunity Act, and are further limited only to claims that arise directly and solely from the negligent acts or omissions of Agency or Communities.

15.2 Counterparts. This Agreement may be executed in counterparts, each of which will be deemed to be an original, but all such counterparts will together constitute but one and the same instrument. Company, Agency, and Communities may retain duplicate copies of this Agreement, which will be considered equivalent to this original.

15.3 Several Obligations. Nothing in this Agreement will be construed to create an association, trust, partnership or joint venture or to impose a trust, partnership or fiduciary duty on or between any of the Parties.

15.4 Choice of Law. This Agreement will be interpreted and enforced in accordance with the laws of the State of Utah, without applying any choice of law rules that may direct the application of the laws of another jurisdiction.

15.5 Partial Invalidity. Without limiting Section 10.7 of this Agreement, if any term, provision or condition of this Agreement is held to be invalid, void or unenforceable by a Governmental Authority and such holding is subject to no further appeal or judicial review, then such invalid, void, or unenforceable term, provision or condition shall be deemed severed from this Agreement and all remaining terms, provisions and conditions of this Agreement shall continue in full force and effect. The Parties shall endeavor in good faith to replace such invalid, void or unenforceable terms, provisions or conditions with valid and enforceable terms, provisions or conditions which achieve the purpose intended by the Parties to the greatest extent permitted by law and preserve the balance of the economics and equities contemplated by this Agreement in all material respects.

15.6 Non-Waiver. No waiver of any provision of this Agreement will be effective unless the waiver is provided in writing that (a) expressly identifies the provision being waived and (b) is executed by the Party waiving the provision. A Party's waiver of one or more failures by the other Party in the performance of any of the provisions of this Agreement will not be construed as a waiver of any other failure or failures, whether of a like kind or different nature.

15.7 Restriction on Assignments. Except as provided in this Section 17.1, no Party may transfer, sell, pledge, encumber or assign (collectively, "Assign") this Agreement nor any of its rights or obligations under this Agreement without the prior written consent of the other Parties, each in its own discretion. Notwithstanding the foregoing, Company may Assign the Agreement to an affiliate of Company, provided that such assignee accepts Company's obligations under this Agreement in writing. Upon acceptance of Company's obligations by any such assignee, Company shall be released from all obligations or liabilities under this Agreement.

15.8 Entire Agreement; Amendments. Except as expressly set forth herein, this Agreement supersedes all prior agreements, proposals, representations, negotiations, discussions or letters, whether oral or in writing, regarding the subject matter of this Agreement. No amendment or modification of this Agreement is effective unless it is in writing and executed by all Parties.

[Remainder of Page Left Intentionally Blank]

IN WITNESS WHEREOF, each of the Parties have caused this Agreement to be executed by its duly authorized officer or representative as of the Execution Date set forth in the preamble above.

Agreement for Payment of Third-Party Expertise

AGREEMENT FOR PAYMENT FOR THIRD-PARTY EXPERTISE

between

COMMUNITY RENEWABLE ENERGY AGENCY

and

ROCKY MOUNTAIN POWER

This AGREEMENT FOR PAYMENT FOR THIRD-PARTY EXPERTISE (this “Agreement”) is entered into by and between the Community Renewable Energy Agency (“Agency”) and Rocky Mountain Power, an unincorporated division of PacifiCorp, an Oregon corporation (the “Company”) (the Agency and the Company are each a “Party” and are referred to herein collectively as the “Parties”).

RECITALS

- A. In 2019, the Utah State Legislature enacted H.B. 411 that was codified at Utah Code Ann. § 54-17-901 *et seq.* and is known as the “Community Renewable Energy Act” (“Act”).
- B. The Act authorizes a community renewable energy program (“Program”) to be proposed in an application (“Application”) to be filed by a qualified utility for approval by the Commission. The Company is the qualified utility relevant to this Program.
- C. Upon Commission approval of the Program, the Company will be authorized to provide electric service from one or more “renewable energy resources” as defined by the Act (“Renewable Resources”) to end-use customers within the Participating Communities that participate in the Program (“Participating Communities”).
- D. The Act sets forth various requirements for a municipality, county or town (“Community”) that seeks to enable the Company to provide electric service pursuant to the Program to end-use customers located within the Community. These include:
 - 1. Pursuant to Utah Code § 54-17-903(2)(a), the Community must adopt a resolution no later than December 31, 2019, that states a goal of achieving an amount equivalent to 100% of the annual electric energy supply for participating customers from a renewable energy resource by 2030 (“Program Resolution”);
 - 2. Pursuant to Utah Code § 54-17-903(2)(b)(i)(A), the Community must enter into an agreement with a qualified utility with the stipulation of payment by the Community to the qualified utility for the costs of third-party expertise contracted for by the Division of Public Utilities (“Division”) and the Office of Consumer Services (“Office”), for assistance with activities associated with initial approval of the Program (“Third-Party Expertise Agreement”);

- E. The Act, as supplemented by rules adopted by the Commission and set forth at Utah Administrative Code R746-314 (“Rules”), require the Communities that adopted the Program Resolution to adopt a governance agreement to establish a decision-making process to ensure that the Communities will be able to reach a single joint decision on necessary Program issues;
- F. Consistent with the Act and the Rules, certain of the Communities have established the Agency and a decision-making process concerning Program issues pursuant to that Interlocal Cooperation Agreement entered into pursuant to the Interlocal Cooperation Act, Utah Code Ann. § 11-13-101 *et seq* (the “Governance Agreement”); and
- G. The Communities that have adopted the Program Resolution and that have entered into the Governance Agreement are listed in Appendix A hereto (the “Listed Entities”);
- H. Consistent with the requirements of the Governance Agreement, and to satisfy the requirements of the Act, the Agency (on behalf of the Listed Entities) and the Company hereby enter into the following Agreement.

TERMS

Section 1. Term of Agreement.

This Agreement shall be effective as of _____ (“Effective Date”) and shall remain in effect until all payments contemplated by this Agreement have been made.

Section 2. Third-Party Expenses.

A Memorandum of Understanding (“MOU”) has been reached between the Division, the Office, the Company, and the Agency. The MOU sets forth various understandings between the Division, the Office, the Company and the Agency, on behalf of each of the Listed Entities, regarding the process and procedures for the payment of third-party expenses incurred by the Division and the Office for assistance associated with the initial approval of the Program. As set forth in the MOU, the Division and the Office have agreed that consulting fees associated with the initial approval of the Program for which they will seek payment pursuant to this Agreement will not exceed \$100,000 for each entity. Consistent with this separate agreement, the Agency has budgeted a total of \$200,000 for purposes of this Agreement.

Section 3. Stipulation of Payment of Third-Party Expenses.

The Agency hereby stipulates that it will pay to the Company up to \$100,000 for consulting fees incurred by the Division and up to \$100,000 for consulting fees incurred by the Office for third-party expertise contracted for by the Division and the Office for assistance with activities associated with initial approval of the Program as contemplated by the Act.

Section 4. Process for Payment of Third-Party Expenses.

The process for payment of the invoicing and payment of third-party expenses is set forth in full in the MOU. Consistent with the MOU, the Division and the Office will submit to the Company, with a copy to the Agency, a summary invoice identifying the approved amount incurred for consulting fees related to the evaluation of the Program. For purposes of this Agreement, the Agency and the Company agree as follows:

Within 30 days of its receipt of each summary invoice from the Office or the Division, the Company shall remit payment by check to the consultant identified in the summary invoice. The Company shall not be obligated to pay more than \$100,000 to the Division or more than \$100,000 to the Office (or \$200,000 total) for third-party expertise contemplated under this Agreement.

Within 20 days of its receipt of the summary invoice from the Office or the Division, the Agency shall pay the Company the full amount owed for each such summary invoice. The Agency shall not be obligated to pay the Company more than \$100,000 for invoices submitted by the Division or more than \$100,000 for invoices submitted by the Office (or \$200,000 total) for third-party expertise contemplated under this Agreement. Payments shall be paid by check mailed to Company as follows:

PacifiCorp
Attn: Central Cashiers Office
825 NE Multnomah, Suite 550
Portland, OR 97232

Section 5. Representations and Warranties.

On the Effective Date, each Party represents, warrants and covenants to the other Party that:

(a) The execution, delivery and performance of this Agreement are within its powers, have been duly authorized by all necessary action and do not violate any of the terms and conditions in its governing documents, any contracts to which it is a party or any law, rule, regulation, order or the like applicable to it;

(b) This Agreement constitutes a legally valid and binding obligation enforceable against it in accordance with its terms, subject to any equitable defenses;

(c) There is not pending, or to its knowledge, threatened against it, any legal proceedings that could materially adversely affect its ability to perform under this Agreement;

(d) It is acting for its own account and its decision to enter into this Agreement is based upon its own judgment, not in reliance upon the advice or recommendations of the other Party, and it is capable of assessing the merits of and understanding, and understands and accepts the terms, conditions and risks of this Agreement; and

(e) It has not relied upon any promises, representations, statements or information of any kind whatsoever that are not contained in this Agreement in deciding to enter into this Agreement.

Section 6. Governing Law; Jurisdiction; Venue.

All provisions of this Agreement and the rights and obligations of the Parties shall in all cases be governed by and construed in accordance with the laws of the State of Utah applicable to contracts executed in and to be wholly performed in Utah by persons domiciled in the State of Utah. Each Party agrees that any dispute relating to this Agreement shall be brought before the Commission or a federal or state court located within the State of Utah with jurisdiction over such dispute, and each Party consents to the exclusive jurisdiction of such court or Commission (and the appellate courts therefrom) in any such suit, action or proceeding. Furthermore, each party waives, to the extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such forum or that any such suit, action or proceeding which is brought in any such forum has been brought in any inconvenient forum.

Section 7. Waiver of Jury Trial.

To the fullest extent permitted by law, each of the Parties hereto waives any right it may have to a trial by jury in respect of any litigation directly or indirectly arising out of, under or in connection with this Agreement. Each Party further waives any right to consolidate any action in which a jury trial has been waived with any other action in which a jury trial cannot be or has not been waived.

Section 8. Default; Remedies; Waiver

Either Party may exercise any or all of its right and remedies under this Agreement and under any applicable laws, rules and regulations. Under no circumstances shall either Party be liable for any special, indirect, incidental, consequential, punitive, or exemplary damages. No provision of this Agreement shall be deemed to have been waived unless such waiver is in writing signed by the waiving Party. No failure by any Party to insist upon the strict performance of any provision of this Agreement or to exercise any right or remedy consequent upon a breach thereof, shall constitute a waiver of any such breach of such provision or of any other provision. No waiver of any provision of this Agreement shall be deemed a waiver of any other provision of this Agreement or a waiver of such provision with respect to any subsequent breach, unless expressly provided in writing.

Section 9. Communications and Notice

Except as otherwise expressly provided, this Agreement may be modified only by a subsequent written amendment or agreement executed by both Parties.

Section 13. Miscellaneous.

(b) This Agreement shall be construed without regard to the identity of the Party that drafted the provisions of this Agreement and each and every provision of this Agreement shall be construed as though the Parties participated equally in drafting such provisions.

(c) This Agreement, and the rights and obligations hereunder, shall inure to the benefit of, and be enforceable against, any and all of each Party's successors (including a successor by any amalgamation of a Party) and permitted assigns.

(d) Each Party shall, in good faith, take all reasonable actions necessary to permit each Party to fulfill its obligations under this Agreement. Where the consent, agreement or approval shall not be unreasonably withheld, conditioned or delayed. Where either Party is required or permitted to act or omit to act based on its opinion or judgment, such opinion or judgment shall not be unreasonably exercised.

(e) The provisions of this Agreement that by their nature are intended to survive the termination, cancellation, completion, or expiration of this Agreement shall continue as a valid and enforceable obligation of the Party notwithstanding any such termination, cancellation, completion, or expiration.

- C. Upon Commission approval of the Program, RMP will be authorized to provide electric service from one or more “renewable energy resources” as defined by the Act (“Renewable Resources”) to end-use customers within the Participating Communities that participate in the Program (“Participating Communities”).
- D. The Act sets forth various requirements for a municipality, county or town (“Community”) that seeks to enable the Company to provide electric service pursuant to the Program to end-use customers located within the Community. These include:
 - 1. Pursuant to Utah Code § 54-17-903(2)(a), the Community must adopt a resolution no later than December 31, 2019, that states a goal of achieving an amount equivalent to 100% of the annual electric energy supply for participating customers from a renewable energy resource by 2030 (“Program Resolution”);
 - 2. Pursuant to Utah Code § 54-17-903(2)(b)(i)(A), the Community must enter into an agreement (“Third-Party Expertise Agreement”) with a qualified utility with the stipulation of payment by the Community to the qualified utility for the costs of third-party expertise contracted for by the Division and the Office, for assistance with activities associated with initial approval of the Program (each such person or entity retained to provide such third-party expertise, a “Consultant”);
- E. The Act, as supplemented by rules adopted by the Commission and set forth at Utah Administrative Code R746-314 (“Rules”), require the Communities that adopted the

Program Resolution to adopt a governance agreement to establish a decision-making process to ensure that the Communities will be able to reach a single joint decision on necessary Program issues;

- F. Consistent with the Act and the Rules, certain of the Communities have established the Agency and a decision-making process concerning Program issues pursuant to that Interlocal Cooperation Agreement entered into pursuant to the Interlocal Cooperation Act, Utah Code Ann. § 11-13-101 *et seq.* (the “Governance Agreement”);
- G. The Communities that have adopted the Program Resolution and that have entered into the Governance Agreement are listed in Appendix A hereto (the “Listed Entities”);
- H. Consistent with the requirements of the Governance Agreement, and to satisfy the requirements of the Act, the Agency (on behalf of the Listed Entities) and the Company have entered into the required Third-Party Expertise Agreement with an effective date contemporaneous with this Memorandum; and
- I. This Memorandum addresses invoicing, practices, and procedures regarding the payments and reimbursements to be made for Consultants as contemplated by Utah Code § 54-17-903(2)(b)(1)(a).

TERMS

Section 1. Term of Agreement.

This Memorandum shall be effective as of _____ (“Effective Date”) and shall remain in effect until all payments contemplated by the Third-Party Expertise Agreement have been made.

Section 2. Third-Party Expertise Agreement.

Pursuant to Utah Code § 54-17-903(2)(b)(i)(A), the Listed Entities are obligated to enter into an agreement with the Company to pay for third-party consulting fees incurred by the Division and the Office associated with the initial approval of the Program. The Agency, on behalf of each of the Listed Entities, and the Company have entered into such a Third-Party Expertise Agreement with an effective date that is contemporaneous to the Effective Date herein.

Section 3. Engagement of Third-Party Expertise

The Division and the Office currently expect to engage third-party Consultants to assist them in discussions and proceedings related to the development and initial approval of the Program. The Division and the Office shall have complete discretion in deciding whether to engage third-party Consultants to assist with the activities associated with initial approval of the Program, which Consultants to engage, and the services to be performed by the Consultants, and neither the Agency nor the Company shall have any input or oversight into the process by which the Division and the Office engage such Consultants or how the Consultants perform such services.

If the Division and/or the Office engage third-party Consultants to assist with activities associated with initial approval of the Program, each entity shall exercise sole discretion in setting the rates and terms of service for such Consultant. Each entity shall likewise have sole discretion in implementing policies and procedures to define the relationship between the entity and the Consultant it hires, including procedures for the submission of invoices for work performed. Each entity shall have sole discretion in reviewing and approving the invoices submitted by such Consultant. In exercising this discretion, each entity shall apply the same methods and standards of care exercised in other dockets before the Commission in which the agency engages expert consultants and approves invoices.

Notwithstanding the foregoing, neither the Agency nor the Company shall be obligated to the Division or the Office for any fees or expenses charged by Consultants that are not actually incurred in connection with the initial development and approval of the Program.

Section 4. Third-Party Expenses.

In the event that the Division and/or the Office engage third-party Consultants for assistance in the initial development and approval of the Program, each entity agrees not to seek reimbursement of expenses for such third-party expertise as contemplated by Utah Code § 54-17-903(2)(b)(i)(A) in an amount in excess of \$100,000 for each entity.

Section 5. Process for Payment of Third-Party Expenses.

Utah Code § 54-17-903(2)(b)(i)(A) requires the Listed Entities to pay to the Company the amounts incurred by the Division and the Office for third-party expertise regarding the initial approval of the Program. The Parties agree to utilize the following process to facilitate payment by the Listed Entities, through the Agency, to the Company for amounts incurred by the Division and the Office for such third-party expertise.

- 5.1 After receipt of an invoice from a Consultant, the Division or Office shall review and approve that invoice consistent with its typical methods and standards of care. Such invoice shall be approved and submitted by the Division or Office for payment under this Memorandum only to the extent it is for assistance with activities associated with initial approval of the Program as contemplated by the Act, and submission of an approved invoice for payment under this Memorandum shall constitute a representation to that effect by the Division or the Office, as applicable. Each entity shall then prepare a summary invoice to submit to the Company. The summary invoice may include as much information as each entity deems appropriate, but need not contain any information other than (a) the Consultant's name, (b) the Consultant's hourly rate, (c) the total hours billed by the Consultant for the invoice, (d) the total invoice amount to be paid. The summary invoice need not include a description of the services performed or the hours associated with any individual task.

5.2 Summary invoices shall be submitted to the Company's State Regulatory Affairs Manager for Utah, currently Jana Saba, via email jana.saba@pacificorp.com, with a copy to the Agency via email to the following for the Agency:

Treasurer: Jeff Silvestrini (jsilvestrini@millcreek.us),
Chair: Dan Dugan (Daniel.Dugan@slcgov.com), and
Copy to: Christopher Thomas (Christopher.Thomas@slcgov.com).

With the first summary invoice submitted, the Division or Office, as applicable, will provide a copy of the W-9 form attached hereto as Appendix B, which the Division or Office shall ensure has been completed by its Consultant.

5.3 Within 30 days of its receipt of the summary invoice pursuant to this Section, the Company shall remit payment by check to the consultant identified in the summary invoice.

5.4 Within 20 days of its receipt of the summary invoice pursuant to this Section, the Agency shall remit payment by check to the Company consistent with the provisions of the Third-Party Expertise Agreement.

Section 6. Representations and Warranties.

On the Effective Date, each Party represents, warrants and covenants to the other Party that:

(a) The execution, delivery and performance of this Memorandum are within its powers, have been duly authorized by all necessary action and do not violate any of the terms and conditions in its governing documents, any contracts to which it is a party or any law, rule, regulation, order or the like applicable to it;

(b) This Memorandum constitutes a legally valid and binding obligation enforceable against it in accordance with its terms, subject to any equitable defenses;

(c) There is not pending, or to its knowledge, threatened against it, any legal proceedings that could materially adversely affect its ability to perform under this Memorandum;

(d) It is acting for its own account and its decision to enter into this Memorandum is based upon its own judgment, not in reliance upon the advice or recommendations of the other Party, and it is capable of assessing the merits of and understanding, and understands and accepts the terms, conditions and risks of this Memorandum; and

(e) It has not relied upon any promises, representations, statements or information of any kind whatsoever that are not contained in this Memorandum in deciding to enter into this Memorandum.

Section 7. Governing Law; Jurisdiction; Venue.

All provisions of this Memorandum and the rights and obligations of the Parties shall in all cases be governed by and construed in accordance with the laws of the State of Utah applicable to contracts executed in and to be wholly performed in Utah by persons domiciled in the State of Utah. Each Party agrees that any dispute relating to this Memorandum shall be brought before the Commission or a court located within the State of Utah with jurisdiction over such dispute, and each Party consents to the exclusive jurisdiction of such court or Commission (and the appellate courts therefrom) in any such suit, action or proceeding. Furthermore, each party waives, to the extent permitted by law, any objection which it may now or hereafter have to the laying of the venue of any such suit, action or proceeding in any such forum or that any such suit, action or proceeding which is brought in any such forum has been brought in any inconvenient forum.

Section 8. Waiver of Jury Trial.

To the fullest extent permitted by law, each of the Parties hereto waives any right it may have to a trial by jury in respect of any litigation directly or indirectly arising out of, under or in connection with this Memorandum. Each Party further waives any right to consolidate any action in which a jury trial has been waived with any other action in which a jury trial cannot be or has not been waived.

Section 9. Default; Remedies; Waiver

Either Party may exercise any or all of its right and remedies under this Memorandum and under any applicable laws, rules and regulations. Under no circumstances shall either Party be liable for any special, indirect, incidental, consequential, punitive, or exemplary damages. No provision of this Memorandum shall be deemed to have been waived unless such waiver is in writing signed by the waiving Party. No failure by any Party to insist upon the strict performance of any provision of this Memorandum or to exercise any right or remedy consequent upon a breach thereof, shall constitute a waiver of any such breach of such provision or of any other provision. No waiver of any provision of this Memorandum shall be deemed a waiver of any other provision of this Memorandum or a waiver of such provision with respect to any subsequent breach, unless expressly provided in writing.

Section 10. Communications and Notice
